

Association for the Study of Travel
in

Egypt and the Near East
Thirteenth Biennial ASTENE
Conference

12-14 July 2019 at the University of

York and National Railway Museum, York

CONFERENCE BURSARIES 2019

Please submit your Bursary Application before 1 March 2019

At every bi-annual ASTENE Conference three (3) bursaries are available to existing and newly joining ASTENE student members on full-time courses; and to non-members who must join ASTENE to attend the Conference. Each of the bursaries covers the full conference costs, including accommodation and meals but not travel costs. Anyone who received a bursary in 2017 is not eligible for a bursary for the York conference.

Recipients of a bursary must offer a paper to be read at the Conference, and will also have roles in the conference organization, such as assisting at the registration desk, manning the bookstall, providing IT and technical support to those giving papers, assisting as necessary.

After the Conference bursary recipients will be asked to write a 750-1000-word piece giving their impressions to serve as a record of the event for publication in the quarterly ASTENE Bulletin.

Applicants will be informed if they have been successful or not by **15 March 2019** so they can arrange their travel to attend the Conference and obtain any Visas. If required ASTENE will provide Letters of Invitation to accompany Visa Applications (see details on the Guidance Notes on the York Conference Booking Form which can be found on www.astene.org.uk).

Those receiving Bursaries will also need to complete and submit a Conference Booking Form as this contains information about dietary requirements and any need for an accessible room.

Please complete the application form overleaf and return it to 2019yorkastene@gmail.com by the deadline of 1 March 2019.

Please provide the following details:

a) Name:

b) Address for correspondence:

c) e-mail:

d) If applicable, give the name of your university / institution and your course of study:

e) If you have received a bursary for a previous ASTENE Conference, please provide details:
